

Texas Lantana Community Impact

Mission Statement and Policy

Texas Lantana seeks to identify and contribute to programs, organizations and institutions that support United States Military, Law Enforcement and First Responder training along with the families of such organizations through charitable giving within specific granting areas.

Giving Areas:

While preference is given to organizations in the Permian Basin of West Texas and the Metropolitan of Dallas Texas, we recognize that such organizations located outside of these areas can also have a beneficial impact on the economic, social, and cultural growth and development; therefore, Texas Lantana will entertain donation requests from other locations. Only 501c3 organizations or equivalent may apply for donations.

Funding Policy Guidelines:

Texas Lantana accepts applications throughout the year. Necessary information will be determined by the individual request but must include:

- Completed online application
- IRS 501c© determination letter or affiliation letter
- Documentation as appropriate to the request
- Receipt of Donation within 1 month of check mail date

Donations may not be used for:

- Items for which third-party reimbursement is available
- Research on unapproved drug therapies and devices
- Donations to individuals as opposed to institutions/organizations
- General operating funds

Applying:

Texas Lantana accepts and reviews donation requests quarterly. Requests submitted will be carefully reviewed in the first week of each quarter and will then be contacted and updated on the donation request standing. Donations will be mailed out to individual organizations thereafter.

All donation requests must be received by the last calendar day of each quarter for that following quarter. Any requests submitted after the deadline will be considered and reviewed during the following request cycle. Emergency funding is considered for exceptional circumstances.

For questions pertaining to current donation request status or future donation request eligibility please email giving@9mtc.com.
